2018 Issue 6 June

From The Revd Catherine Hale-Heighway

THERE'S a book called the 'God of Surprises' written by Gerard Hughes, which invites us to accept gifts not imagined. During my lifetime my 'surprises' lay in being called to Ordination, marrying my second husband John and now being called to serve and make a home together in Clitheroe.

It's amazing where an initial conversation can lead us and I'm so pleased and surprised to have been offered this post in the Benefice of Clitheroe, Chatburn and Downham.

I've been asked to give a potted history so here it is. A lady never reveals her age apparently but as I'm reliably informed that 60 is the new 40, I'm proud to say I'll be 60 in June. I have a 30 year old son, Adam, who lives in Sheffield and works for Motorpoint. Born in Lytham, an only child, I went to Elmslie School in Blackpool, trained as a teacher in Liverpool and began my teaching career in Pendle. For three years I was Deputy Head at St James, Clitheroe and spent the last eighteen years of my teaching career as Headteacher at Holy Trinity in Burnley. My call to ministry followed a simple conversion, or so I thought, with my Vicar one Sunday and life was never the same again!

I took early retirement from Headship three and half years ago to spend more time on ministry and have a life after teaching for 36 years. For the last six years I have been a Self Supporting Minister in Colne, first as part of a team and for the past two years with St Bartholomew's and Holy Trinity Colne, where I have been blessed in the people I have met and the journeys we have been on together.

John and I were married last April by Bishop Geoff so this really is a new beginning. We are pleased and delighted to be journeying together with new parishes and congregations and sharing the Good News of God's Kingdom in this new Benefice.

Catherine Hale-Heighway

Holy God,
 faithful and unchanging:
 enlarge our minds with the knowledge of your truth,
 and draw us more deeply into the mystery of your love, that we may truly worship
 you, Father, Son and Holy Spirit, one God, now and forever. Amen.

SPECTATOR

IT'S JUNE already....soon be Christmas....argh!....and later on this month is Fathers' Day.
 This is the day to celebrate the fathers, grandfathers and male role models who influence
 our lives. It started in America, of course?!!, when a lady at the YMCA in Spokane,
 Washington called Sonora Smart Dodd, found out about Mothers Day and asked the Pastor
 about an equivalent day for dads. Sonora's own father brought up Six children as a single
 parent. The Pastor agreed and the first Fathers Day was June 19th 1910.

I always feel a bit jealous when I meet people who have lovely dads, mine was just the
 opposite, but he started drinking early on in life and it turned him from an intelligent, could have
 amounted to something person, to someone who was bitter and lazy and could change from
 nice to nasty in 10 seconds flat. As kids we were terrified of him. He did have a sense of
 humour though and I think I got mine from him

I once asked him, "*Dad, when you die, do you want to go to heaven or hell?*" "*Definitely hell!*"
 I was horrified, "*why?*" I said
 "*Well there will be more people down there so there will be less work to do!*"

Now I've grown up I think he was wrong. I think there are more good people who will go to
 heaven, including the one who got me thinking about fathers and their influences. Jon's uncle
 who is presently in hospital is very ill, so if everyone could say a little prayer for him, one of the
 nicest, gentlest men I have ever come across. In fact he reminds me of our very own Len
 Cragg, also one of the loveliest men I have ever had the privilege to know. So let's celebrate
 fathers on 17th June. The people with good dads, appreciate what you have, you are so lucky,
 but let's also celebrate the good, the not so good, the tried-hards and the didn't seem to try very
 hard at all.....you may have had your reasons and your own influences.

THE PARISH CHURCH

Hymns on the Green

GLORIOUS Whitsunday sunshine bathed all those who attended the annual Hymns on the Green service on 20th May

Pentecost was marked with a rousing selection of traditional favourites accompanied by Clitheroe Town Band - and an impromptu canine duo!

Chocolate eggs were distributed to younger attendees of Hare Green, with many marking such a quintessentially English village event with a visit to the Ice Cream Shop.

CLITHEROE FESTIVAL OF PEACE

THE CLITHEROE Grand Choir is

Working in partnership with other local choirs and churches to create a bi-annual choir festival. The first festival will run over the weekend of 13th - 15th July 2018 and will Commemorate of the end of WW1.

The Grand Choir will open the weekend with a performance at The Grand Venue. Other concerts will include approximately 20 local choirs and will take place in approximately nine venues (mostly Church buildings) including St Leonard's Downham throughout the Ribble Valley. There will also be singing workshops and flash-mobs around Clitheroe to complement the festival.

Some concerts will carry admission fees to contribute towards the cost of the festival, whilst donations will be accepted by host churches as a fundraising opportunity towards their costs.

THE DOWNHAM & TWISTON HISTORY GROUP

WORK continues on the school history project. Including exploration of the material in the Lancashire Archive, arrangements for an afternoon of sharing memories and information. and researching the possibility of grant aid for the whole project.

In the meantime please visit our Facebook page '**Downham School 180 years**' for lots of photos, memories and updates on forthcoming events or contact Kirsteen Walmsley (kewalmsley@aol.com) if you would like further details. Our next meeting is on 10th July at the Village Hall at 7.30 pm. KEW

GARDEN CLUB

AN INSIGHT into the competitive Sweet Pea show scene was given by Kevin Preston to the Garden Club on May 3rd. Kevin is one of the country's most prolific amateur growers of these hardy plants. The green fingered champion travelled from Cumbria to reveal some of the secrets to his success. The evening ended with a gentle scrum to buy some of his home-grown offerings.

A special guest of the Garden Club will be leading the Chairman's Walk on the evening of **Thursday 7th June**. We start from Greendale View Kitchen at 7pm. After the walk there will be a delicious pie and pea supper for just £6. Please contact **Carol Ashworth on 440112**.

A reminder to also book for the Garden Visit to Bernard and Caroline's Mines Cottage. Bernard gave an awe inspiring slide show of his garden projects to the Garden Club last year, so the evening visit on Thursday evening of **July 5th** is much awaited by many.

This current fine weather is ideal for planting and nurturing exhibits for our Annual Show to be held on Saturday August 4th. Extra copies of entry categories are available at the back of the church for all local residents to get involved. The entry fee is a mere 10p per item. Remember - you have to be in it to win it!

Everyone welcome.

COFFEE CLUB

ALTHOUGH there were a few regular faces missing, due to appointments etc, we were very pleased to welcome Carole back following her successful knee replacement operation. We've missed you.

Our best wishes go to Norman as he recovers from his knee operation, hope to see you back with us soon Norman. I had to abdicate my responsibilities early as I had an appointment, but Brian, helped by Peter, did a sterling job. Our thanks to Lady and Frances for your confections, Di for manning the stall and Frances for your beautiful table flowers.

I know I've said before how much Brian and I appreciate everyone's help and support, but we really couldn't do it without you.

Our next gathering is on Thursday June 14th at 10 am. Hope to see you all there. BL

THE Village Hall Management Committee meeting and AGM was held on 8th May. Chairman, Shaun Roney thanked everyone for their efforts over the year and the outgoing Secretary, Olivia Assheton for 10 years of service. She will remain on the committee.

THE members of the Downham WI found ourselves in a melee of colourful choices for our April meeting. Melanie Clark

who has trained with, 'Colour Me Beautiful' came to do our colours. She began with an interesting discussion of the use of colour by the big branded corporates to influence our minds; a blue letter heading has a reliable feeling and green feels grounded. She then moved onto finding the right colour to suit ourselves, using skin tone and hair colour. We then delved into an array of deep, cool, bright, light, warm and muted colours- how very difficult to choose colours for others let alone ourselves.

Despite this being yet another jolly meeting, it was with sadness, we said farewell to a long-standing member, Julie Parker, who is moving home to Thornley in Norfolk. We wish her well. KB

The May meeting was Members' Night when the whole of the Downham WI voted unanimously for the motion on Mental Health; that mental health should have an equal weighting to that of physical health. This resolution will go forward to the NFWI and become the focus for the WI in 2018/19.

Very naturally, the evening followed on with a talk and activities on 'Mindfulness' by Sue Hinder. Members were totally focussed on the present, improving their breathing and wellbeing. Hopefully, all members would have had a good night's sleep if they had reminded themselves of some of Sue's techniques and not distract themselves by thoughts of the vigorous debate on the plans for the Downham WI's Centenary celebrations 2020!

Next month's meeting is a talk by Franklin Schultz, 'From Priesthood to Engineering'.

New members are always welcome. AW
